

DOB: Feb 1982
Age: 29
Address: Wolverhampton, UK

Statement

Enthusiastic, amiable and dedicated computer science graduate with quick and thorough development skills and heavyweight cg experience. Now looking for an applications/systems development role to build on a new BSc in Computer Science.
My ideal role would benefit from my cg experience and build on my consistent record of delivering high-quality CG images and animations on-schedule and on-budget for various clients.

Skills

- Expert-Level:** 3D Studio Max/SDK/Maxscript, Vray, Photoshop, After Effects.
- BSc-level:** Computer Science incorporating:
 - Languages: OO: (C++, Java, PHP, C#, Javascript, CSS, Actionscript, Ant), PROCEDURAL (C)
 - Methods: Agile (XP, SCRUM), Model-Driven (UML), Test-Driven (JUnit/PHPUnit)
 - Databases: SQL, ERD, ORM, Design, Normalization, Oracle, MySQL, SQLServer, PostGRE
- Experiencial-level:** System/Network Administration, Client Liason, Photography, Accounts.
